Chairman Mast,

My name is Kenny Winslow, and I am the executive director of the Illinois Association of Chiefs of Police. I proudly served as a Law Enforcement professional for years and now have the privilege of representing the brave men and women serving in law enforcement across Illinois.

I want to thank you for introducing HR3113. Additionally, I'd like to inform you that our organization fully endorses the legislation and its intent. I am proud to say that the Illinois Association of Chiefs of Police advocated establishing similar standards for school mapping across Illinois, and the program is becoming a great success. For the first time in the law enforcement profession, our officers will all be operating off the same map when responding to an emergency.

If I or the Illinois Association of Chiefs of Police can support your efforts in any way, please do not hesitate to let me know. Again, thank you for taking this vital topic on.

Sincerely,

Chief (ret.) Kenny Winslow
Executive Director, Illinois Association of Chiefs of Police (IACCP)
