The Illinois Law Enforcement Training and Standards Board is working with the Executive Institute to present a special webinar specifically related to the training for Illinois officers as a result of the Safety, Accountability, Fairness, and Equity—Today (SAFE-T) Act and HB 3443 SA 5 (“Trailer Bill”) to help Chiefs, Sheriffs, Training Officers, and Administrators navigate the new legislation.

In this 1.5 hour live webinar, Kelly Griffith, General Counsel at the ILETSB, will discuss the changes in law effective July 1 that impact the training curriculum for Illinois officers. A

brief overview of the in-service mandates for law enforcement officers that will be effective as of January 2022 will also be addressed. She will give an update on the work the ILETSB is doing to implement the changes outlined in the SAFE-T Act and “Trailer Bill.”

Please join us for a live webinar with the ILETSB on Wednesday, June 30, 2021, from 1:30pm to 3:00pm (CST) via the Zoom platform.
