Re: Illinois Association of Chiefs of Police,
At-Large Vice President; Region #2, Northwest and Central Illinois.

Dear Director Wojcicki,

I would like to express my interest in returning to the position of At Large Vice President for the Illinois Association of Chiefs of Police Region #2. I am a dedicated public servant with over 40 years of progressive experience and leadership in all aspects and levels of law enforcement.

I relish the opportunity to again work with the ILACP Board of Officers and the ILACP administration in continuing to move our organization forward. As the current Region #2 Vice President At Large, I believe that I have a proven track record and have contributed to the betterment of our organization. I will continue to be a proactive steward for law enforcement, the ILACP and all of the communities contained in Region #2.

I have been a member in good standing of the Illinois Association of Chiefs of Police as well as the International Association of Chiefs of Police for the past eight years. I hold a Master of Arts degree in Organizational Leadership and a Bachelor of Arts degree in Criminal Justice Management. I am also a graduate of Northwestern University School of Police Staff and Command as well as a Certified Police Chief through the Illinois Association of Chiefs of Police.

Sincerely,

Dean Stiegemeier
